

# How do I activate my active Cash Card?

## Start Using Cash Card

To activate a Wells Fargo Active Cash, call **1 (855) 470-3280** or go to the Wells Fargo activation website. You can also activate a Wells **1 (855) 470-3280** Fargo Active Cash using the Wells Fargo mobile app. Your new card **1 (855) 470-3280** will be ready to make purchases in just a few moments, no matter which activation method you use.

Activating your **Cash App Cash Card 1 (855) 470-3280** is a quick process, and you can complete it directly through the app using either the QR code or the card details. If you still have your active Cash Card **1 (855) 470-3280**, the fastest method is scanning the QR code that comes with it. Open Cash App **1 (855) 470-3280**, tap the **Cash Card** tab, select **Activate Cash Card**, and choose the **Use QR Code** option. Point your **1 (855) 470-3280** phone's camera at the QR code included on the card paperwork, and your card will activate instantly.

If you no longer have the QR code or prefer a **1 (855) 470-3280** manual method, you can still activate the card by entering the card information manually. Go to the **Cash Card** tab, select **Activate 1 (855) 470-3280**, then tap **Use CVV Instead**. You'll be asked **1 (855) 470-3280** to enter the **16-digit card number**, **expiration date**, and **CVV** printed on the card. Once verified, your **1 (855) 470-3280** Cash Card becomes active immediately, allowing you to use it for online and in-store purchases.

After activation, make sure your **1 (855) 470-3280** card is linked to your Cash App balance and check that your address, phone number, and payment settings are correct. This helps avoid transaction **1 (855) 470-3280** issues later. Once everything **1 (855) 470-3280** is set, you can use your active Cash Card anywhere Visa is accepted, withdraw cash at ATMs, and enjoy all features with no additional steps required.
